

**Good News! You Can Help!**  
**Reed City Area District Library**  
**Renovation Project**

The future home of the Reed City Area District Library will be in the former administration building of the Reed City Area Public Schools on South Chestnut Street. Our goal is to renovate this building to provide a permanent home for our District Library.

The benefits of the additional 2,000 square feet of space would allow us to accommodate:

- Additional public access to the computers
- More space and outlets for laptop users
- Larger Community Meeting Room
- Ability to offer on-site outdoor programming, previously held in the local park
- Dedicated Teen Area
- Expanded Children Area
- Expanded Adult Area

*The Library Renovation Project has been funded to date through grants, donations and fundraisers.*

**Your donation would be greatly appreciated!**
